PROSPECTUS

Welcome to CRPF PUBLIC SCHOOL

CRPF Public School, Jawahar Nagar is a co-educational institution affiliated to the Central Board of Secondary Education, New Delhi. The School was established in the year 1996 under the aegis of CRPF Educational Society. The School has been catering to the educational requirement of the children of CRPF personnel with uncompromising emphasis on providing quality education. This was the second endeavour of the society which had already established a premier institution – the CRPF Public School, Rohini at New Delhi. This is a day-cum-residential senior secondary school with an enrolment of more than 1500 students from classes U.K.G to XII.

School Profile

VISION

"The end of education is character" - Swami Vivekananda

We at CRPF Public School are guided by this principle and we are striving hard to inculcate in the young minds the quality of patience and tolerance accompanied with academic excellence which will lead them to greater heights in their future endeavour.

DG's Interaction with Students

MISSION

We believe that – *"Each child is Unique"*

We encourage them to set their targets high, keep their attitude positive and then they become the **"Architects of their own LIFE"**.

CURRICULUM

The school offers the CBSE syllabus which will enable the child to stand-up to the demands of today's competitive world. Our students are not just taught the abstract things but also the ability to solve a challenging situation and it goes without saying that our students will be well prepared to face the challenges of future.

OUR PHILOSOPHY

The CRPF Public School presently has a strength of 1500+ students and here we acknowledge the need to build a global generation of young people who can take on the world. We believe in instilling in them a truly Indian foundation to strike a balance between tradition and modern outlook.

Our aim is to develop the skills like Thinking, Understanding, Exploring, Problem solving, Creativity and Innovation. The backbone and the driving force for this is the faculty of our school. We have well trained and experienced teachers who are not just teachers but facilitators for the students, who guide them and motivate them at all times.
